When it's time for you to venture out, don't let fear have you looking back at what you're leaving behind.

They did surgery on a grape

donutdragon807

Omg that's so funny that you say that because today in history we were choosing a name for our class and we took some options and then voted and I bet you cant guess what everyone chose.....

Don't think of this as a goodbye, think of it as a "see you later."

They did surgery on a grape

autumnlynx154

those whom we shall not name have executed a type of medical procedure known as a surgery; this was performed on a fruit (or, to be botanically exact, a berry) which is a product of the plant *vinis vinefera*, commonly known as the grape

They did surgery on a grape

sapphirespy55

You very carefully poke the very top of the grape where the stem was with your needle and anesthetize as usual I guess, idk how you'd actually do that
